

# What People Are Saying...

## FIRST SWIM CLINIC Charlotte, North Carolina March 28, 2015

*“This was a WONDERFUL experience. Thank you so much for getting our family in the pool together. Looking forward to more Firsts” Carol Downing, participant*

*“Tyoma is extremely active and this was a great Confidence booster and a way to make him feel less odd/alone Kristen Richardson-Frick, parent*

*“This program is extremely beneficial for who participate. I was beyond grateful to be a part of it.” Meridith Boudreaux, volunteer*

*“A Great Opportunity! Thanks so much” Sherri Little, parent*

*“This was a fantastic way to experience my first time back in the pool. I LOVED IT! I learned how to get in and out of the pool and feel more confident. I will tell my friends who are amputees” Erika Brannock, participant*

*“I came today as an observer. I very much enjoyed seeing people with prosthetic devices included in activities we too often take for granted. I met the instructor from Chicago who was very nice. The lady from OPAF was just beaming with energy and inclusive vibes. Thanks for the invitation to come observe.*
